FS-1 *THE TALE OF THE TALES: CLASSIC HORROR ANTHOLOGIES*

With Halloween right around the corner, ***PREVIEWS*** takes a look at one of the great (and greatly missed) genres of comic books: the horror anthology! There's an art and a science to unfolding a tale of terror in a finite number of short pages, and from the 1950s on into the '70s and early '80s, titles like *Tales from the Crypt*, *The Thing*, *Adventures into Darkness*, *Strange Tales* and many more, terrified and delighted us with four- to five-page stories of monsters, mayhem and menace! The ghouls at ***PREVIEWS*** have the essential horror anthology collections and histories for you to enjoy this Halloween!

USER'S guide

PREVIEWSworld.com

At first glance, *PREVIEWS* can be overwhelming because it's packed with tons of cool stuff. But there's a rhyme and reason to this mag-a-log and here's how to use it!

You now hold in your hands the latest issue of *PREVIEWS*, the monthly mag-alog dedicated to comics, graphic novels, toys and other pop-culture merchandise. If it's in your comic shop, it's in the page of *PREVIEWS*!

PREMIER COMICS BOOKS & MAGAZINES TRADING CARDS APPAREL MERCHANDISE GAMES VIDEOS

What is *PREVIEWS*?

PREVIEWS is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings by easy-to-understand sections: Comics & Graphic Novels; Books; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.

How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is easy! There are **3** simple ways to order:

1 Use the Short Order Form.
Fill in with the items you'd like to order from this issue.

2 Ask for the companion Customer Order Form.
We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic ship by the due date on the cover!

3 Ask your retailer about their "Pull & Hold" service.
Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy or ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

Not sure where to find a local comic shop?

Visit the comic shop locator service website at www.comicshoplocator.com, or call 1-888-COMIC BOOK for a listing of comic shops near you!

PREVIEWS legend

Throughout this issue of *PREVIEWS*, you'll find a variety of symbols and terms that will help you in select items from this catalog. Here's what they mean:

Gems of the Month
The top offerings of the month, as chosen by our Premier publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items
In other sections, you'll find Featured Items, the top monthly products offered in their categories.

Spotlight On
These items are not to be missed; highlighted to get your attention.

Previews Exclusive
These are items available only through ***PREVIEWS***! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme
Each month, ***PREVIEWS*** features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool
Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick
This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge
The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month
These are best-selling backlist items that are available for immediate order from your local comic shop, and usually available for pick-up in about a week!

Offered Again (O/A)
These items have been previously offered before in ***PREVIEWS*** and are being made available again.

PI or Please Inquire
Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP
Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)
Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its Previews description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
- 0 = No International Rights restriction;
- 1 = International Rights are restricted.

Content Changes — the content may change after solicitation.
- 0 = No Content disclaimer;
- 1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
- 0 = Product will ship according to schedule;
- 1 = Product may ship an additional 60 days beyond scheduled ship date;
- 2 = Additional 90 days beyond scheduled ship date;
- 3 = Additional 120 days beyond scheduled ship date;
- 4 = Product may ship at any time beyond scheduled ship date.

***PREVIEWS* Abbreviations**
SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A NOTE TO TOY COLLECTORS:
Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

EDITOR'S *note*

A SHORT STORY ABOUT SHORT STORIES…

Back in the late '60s and early '70s, when I first started reading comics, most of the titles I read were horror and sci-fi anthologies. Being a typical "monster kid" of the era, inspired by everything from the Universal Monsters to Ultraman to Jack Kirby monster tales, I found great enjoyment in titles like *Chamber of Chills*, *Crypt of Shadows*, *Tomb of Darkness*, *Where Creatures Roam*, *Monsters on the Prowl*, *Where Monsters Dwell*, *Beware*, *House of Mystery*, and *Strange Adventures*. These were my gateway to comics. But what I was unaware of at the time was that most of these tales had been published decades earlier before I discovered them via these reprints.

As I continued to read and collect, scouring local comic shops and flea markets for anything I could find from Marvel and DC, I began to discover how far back it truly went. As the doors opened, I discovered EC, Charlton, ACG, and Marvel precursor Atlas, and dozens more obscure and bygone publishers. The horror anthology was truly something old and wondrous.

These days, aside from the new *Creepy* from Dark Horse, the short horror tale is a bit of a lost art form in comics. Maybe it's just that there's no money in anthologies — how do short stories fit into the industry's "five-to-six issues = a trade paperback" formula anyway? Regardless of the economics of the situation, there are hundred of writers and artists working today who could easily dazzle us with short tales of terror — the kind of stuff that comics used to thrive on — but with a modern look and feel. And guys like Bernie Wrightson and Neal Adams (who both provided artwork for some great short horror stories for Marvel and DC in the '70s) are still at the top of their art, and still capable of bringing their "A" game to whatever they touch. Maybe someday…

But for now, in these days leading up to Halloween 2011, we can take heart in the knowledge that the classic horror anthologies are not forgotten. Some of them are even still available to those of us who can appreciate them. Publishers like Marvel, DC, Dark Horse, IDW, AC Comics and others are keeping comics' legacy of horror alive to this day, bringing us hardcovers and trade paperbacks collecting the best of the horror comics from yesterday. And this month's "FlipSide" feature takes a look at some of the best collections and retrospectives out there today.

So if you've got a *hankerin' for horror*, then flip this issue over and check out what's available! And *Happy Halloween*!

Your Pal @ ***PREVIEWS***,

Marty

This month's featured creator is...

ALEX SEGURA

Alex Segura is the author of *Archie & Friends* #156, "The Great Riverdale Comic CON" and the upcoming "Archie Meets KISS" storyline starting in November's *Archie* #627 (see Page 229). Alex has also written two crime novels and is working on a third. You can also find his work in the *DCU Halloween Special 2010* in a story titled "Flash for Frankenstein." Guess which characters are in it?

Alex has worked in comics for over a decade, currently serving as the Executive Director of Publicity and Marketing at Archie Comics. Before coming to Riverdale, Alex served as Publicity Manager at DC Comics and was a daily blogger at The Source. Alex has also worked at *Wizard Magazine* (Associate Editor), *The Miami Herald* (online news editor), Newsarama.com (freelance writer/editor) and various other outlets and websites. Alex lives in New York City and was born and raised in Miami, FL. He is in a band — *Faulkner Detectives* — and has a cat named David Byrne. Seriously.

For Your Reading Pleasure, Alex Segura Recommends These Personal Favorites...

I just finished re-reading ***Return of the Dapper Men*** (SEP100782) from Archaia, by writer Jim McCann and artist Janet Lee. Superb stuff — it stands out and creates a world all its own in a few pages... really lovely, distinctive stuff. ***Stumptown*** (OCT108157), by Greg Rucka and artist Matthew Southworth, is a piece of excellent crime fiction: flawed protagonist, great gritty art and surprises at every turn. Just good, good stuff. And if you want a dash of creepy *Twin Peaks*-esque horror, then track down writer Ben McCool and artist Nikki Cook's ***Memoir*** (collected edition TBA) from Image Comics. Hard to put down — I know I couldn't.

IN SEARCH OF SMALL TOWN AMERICA, CARNAGE GOES ON THE ROAD

Doverton, Colorado. Small town America, nestled in the foothills of the Rocky Mountains. Is there any place more idyllic, like something out of a Norman Rockwell painting? The quiet neighborhood streets where houses have stood for fifty or a hundred years, with porches and their swings, where neighbors gather. The local barber shop where the town's leading citizens gossip on issues of local import. The town community center where families gather for covered dish lunches on Sunday afternoons. The high school football field where teenagers do battle on the gridiron for the pride of their town. The kind of town that tourists from the urban coasts come to visit, to see what makes small town America so iconic.

The kind of town that draws one Cletus Kasady for some vacation fun!

But Kasady is no mere tourist. The town parade, the veterans cemetery, the county fair, and the pie eating contest don't interest him. Kasady is one of the most dangerous men on the planet. More than just a hardened criminal and an insane serial killer, Kasady's body is host to an alien symbiote — and as the monstrous Carnage he has cut a bloody swath of terror through New York City for many years. Now Carnage is on the loose, and Doverton, Colorado will feel his gory wrath as the creative team behind *Carnage: Family Feud* — writer Zeb Wells and artist Clayton Crain — reunite for Carnage's bloody road trip to small town America in December's *Carnage U.S.A.* #1!

Carnage is not the only new arrival to Doverton, however. Spider-Man and the Avengers, who have fought Carnage on many occasions, are following in his wake. But Kasady is more a force of nature than a man, one that cuts a bloody path of terror on his cross-country journey, and the Avengers will have their hands full protecting the civilians threatened by the killer en route to Colorado.

Small town horror meets big city superheroics when Carnage pays a visit to idyllic Colorado. Intense, visceral, and, above all, entertaining, *Carnage U.S.A.* ups the ante as Carnage brings his homicidal insanity to the last place on Earth anyone would expect it. Whether you've read and loved *Carnage: Family Feud* or you're looking for a visceral horror comic from two of today's top creators, December's Carnage U.S.A. #1 will leave you breathless!!

MADMAN GETS THE MONSTER ANNIVERSARY HARDCOVER HE DESERVES

Twenty years ago cartoonist Michael Allred introduced comics readers to one of the most unusual super-heroes of all time — Madman! Killed in a car accident, then stitched back together and reanimated, Frank Einstein discovered he had superhuman reflexes and precognitive powers but little awareness of his previous life. Through twenty years of surrealistic, pop art adventures, Madman has been one of comics' wildest and wonkiest narratives.

For the 20th-anniversary, Image Comics assembles an all-star lineup of artists for the ultimate Madman coffee table book, the *Madman 20th Anniversary Monster!* hardcover. In addition to a brand-new Allred *Madman* story, the Madman 20th Anniversary Monster features new artwork and stories by creators including Darwyn Cooke, Erik Larsen, David Mack, Frank Quitely, Matt Wagner, and dozens more! It's a gorgeous cornucopia of *Madman* artwork and stories, perfect for the anniversary celebration, and it's the kind of book that every *Madman* fan will cherish!

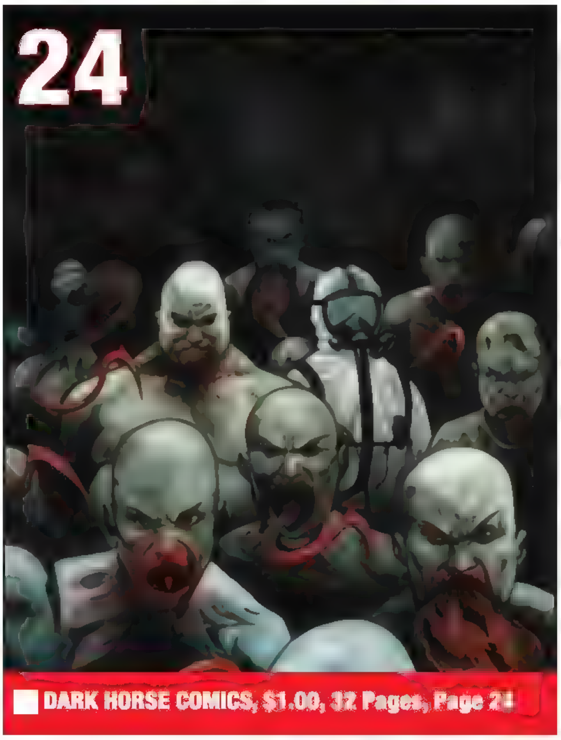
NEW YORK CITY FALLS TO VAMPIRES IN DARK HORSE'S NEW SERIES, *THE STRAIN*



■ DARK HORSE COMICS, $1.00, 32 Pages, Page 24

Legendary film director Guillermo del Toro teamed with novelist Chuck Hogan to write one of the most acclaimed vampire series of the past decade, *The Strain*. In a genre dominated by the romantic anti-heroes of Anne Rice or the sparkly dissipated vampires of Stephenie Meyer, del Toro and Hogan's vampires were something else — dark, brutal, demonic, and not at all nice.

In a time when the Centers for Disease Control warn of global flu pandemics, del Toro and Hogan used the same idea for their vampirism, giving it the aspect of a virulent contagion. When a Boeing 777 lands at JFK International Airport and goes dark on the runway, the Center for Disease Control, fearing a terrorist attack, calls in Dr. Ephraim Goodweather and his team of expert biological-threat first responders. But they find themselves ill-equipped to handle a contagion of vampirism, and soon New York City is under the sway of bloodthirsty demonic hordes.

This winter, Dark Horse Comics brings this acclaimed story to comics. Adapting the first novel from visionary director Guillermo del Toro and novelist Chuck Hogan's *The Strain* trilogy, this horrifying first chapter deals with an outbreak of diabolical proportions that puts a terrifying twist on the vampire genre. Adapted by writer David Lapham (*Stray Bullets*), with art by Mike Huddleston, the chilling first issue of *The Strain* arrives in December at the budget price of just $1.00 for the debut issue!

Since its introduction in 1959, *Risk* has been empowering players, giving them control of armies and sending these game board generals off to best their opponents and conquer the world through strategy and lucky rolls of the dice. But each game of *Risk* was independent. Conquering the world once left you in no better position for the next meeting on the fields of battle.

Until now!

In *Risk Legacy*, each game you play will affect the future. A decision you make — to defend a territory or make a last stand — will have repercussions in another match, many games later. Civilizations will rise and fall, countries will be named and renamed, and you can now battle not just across the face of the world — but across the centuries themselves!

Unique cards and sticker come into play, and new rules are revealed as the war for control of the planet reaches its later rounds. Not only will you determine the fate of individual game with your decisions, but you will determine the history of the world itself!

Risk Legacy takes the classic board game in a whole new direction, and the world will never be the same!

DC DIRECT JOINS FORCES WITH MAD MAGAZINE FOR SOME SLAPSTICK HEROICS

139

Since 1954, Alfred E. Newman has been the mascot of *MAD Magazine*, and his oversized ears, misaligned teeth, and dopey smile are instantly recognizable around the world. Next spring, Alfred E. Newman suits up to save the world as DC Direct unveils the *Just-Us-League of Stupid Heroes Action Figures*, a line of three figures depicting the *MAD* mascot in the guise of the DC Universe's greatest heroes! Just in time for *MAD Magazine*'s 60th anniversary, fans of *MAD Magazine* and DC Comics will want to collect all three, with the mascot dressed as Superman, Batman, and Green Arrow! The joke's on the Just-Us-League!

THE FIGHTERS OF STREET FIGHTER IV TAKE THEIR BATTLE TO YOUR TOY COLLECTION

404

Nearly twenty-five years ago Capcom released one of the most popular fighting games of all time — *Street Fighter* — and spawned a franchise. In 2009 the latest iteration of the game, *Street Fighter IV*, reached stores, and Square Enix recreates the game's popular fighters with the first two figures in their *Street Fighter IV Play Arts ~Kai~* figure line! Ryu and Chun-Li are rivals in the ring, and now they can be rivals in your figure collection! These figures boast game-accurate sculpts and incredible detail, making these the most realistic representations of the characters to date. Collect them both!

MAGDALENA ARTIFACTS STATUE

368 UNLEASH THE TERROR DOGS WITH DIAMOND SELECT'S NEW GHOSTBUSTERS STATUE

The ancient Sumerian god Gozer wrought havoc upon New York City in 1984's blockbuster film *Ghostbusters*. A shapeshifting trickster, Gozer adopted many forms in the film, from an attractive young woman to a monstrous oversized Stay-Puft Marshmallow Man, and he was flanked in his reign of terror by his Terror Dog acolytes, Zuul the Gatekeeper and Vinz Clortho The Keymaster. Diamond Select Toys celebrates the blockbuster film with the Ghostbusters: Gozer's Terror Dog Light-Up Statue. Sculpted by Bill Mancuso and featuring internal electronics, this is one dog that will definitely have you afraid of ghosts!

402 DEFEAT THE HEADLESS HORSEMEN WITH THE HELP OF ICHABOD CRANE

Characters from Tim Burton's movie *Sleepy Hollow* are now coming to life, and you could own your own Ichabod Crane figure and set out to investigate murders. This is a superior designed figure from Medicom, guaranteed to please. With a cool design, sweet accessories, and incredible detail Crane has never looked better! Get in on the action of the life of Crane because adventures in Sleepy Hollow await!

387 THE MAGDALENA DOES BATTLE IN A NEW STATUE FROM CLAYBURN MOORE

A warrior for the Catholic Church, Patience is the Magdalena, the descendent of Christ's wife Mary Magdalene and the wielder of the Spear of Destiny. She has become a defender of the Top Cow universe against the forces of darkness and a player in the cosmic struggle between light and dark. A featured player in the *Artifacts* crossover, the Magdalena is brought to life as a statue from the CS Moore Studio this winter. Standing 18" tall, the Magdalena has her swords drawn and ready for battle in a stunning porcelain sculpt. No fan of the fan-favorite Top Cow series will want to miss this amazing creation.

SPARKLY VAMPIRES?! ARE YOU F[redacted]IN' S[redacted]IN' ME?!

I WAS ASKED TO WRITE a little editorial to the retailers out there not ordering *The Goon*, and from the retailer reports I've seen, there are quite a few of you. Now, I'm not gonna throw out a bunch of reasons as to why you should be stocking your shelves with *The Goon*; I'm just going to give you the most relevant one. You can make money.

I hear two comments pretty often when talking to retailers and readers. One is, "*The Goon* is one of the most consistent sellers in our shop!" The other is, "My shop doesn't carry *The Goon*." Just today I read a tweet from a *Goon* reader saying they had to go to three different comic shops in town to find one carrying the new issue. If you were one of the shops not carrying it, you lost a sale. And possibly future sales.

Thanks to *The Goon*'s loyal fan base, the book has maintained consistent sales numbers since Dark Horse Comics picked up the title. However, the hurdle has been that, like many creator-owned books out there, some shops simply won't stock it. Why? I don't know. Because the shops that do seem to be pretty happy with the results.

So, if you're one of the retailers out there with a Goon deficiency, consider giving it a shot. Spend five dollars and order three copies of *The Goon* #37. Put it front and center on your new-comics shelves. If it sells, order a few more next time. What can it hurt? You might actually make a little money off of it.

—Eric Powell

DOTTER OF HER FATHER'S EYES HC

Mary M. Talbot (W) and Bryan Talbot (A)

On sale Feb 8	FC, 96 pages
$14.99	HC, 6" x 8 1/2"

Part personal history, part biography, *Dotter of Her Father's Eyes* contrasts two coming-of-age narratives: that of Lucia, the daughter of James Joyce, and that of author Mary Talbot, daughter of the eminent Joycean scholar James S. Atherton. Social expectations and gender politics, thwarted ambitions and personal tragedy are played out against two contrasting historical backgrounds, poignantly evoked by the atmospheric visual storytelling of award-winning graphic-novel pioneer Bryan Talbot. Produced through an intense collaboration seldom seen between writers and artists, *Dotter of Her Father's Eyes* is smart, funny, and sad—an essential addition to the evolving genre of graphic memoir.

- **Bryan Talbot is recognized worldwide as one of the true original voices in graphic fiction.**
- **Bryan Talbot's *Grandville Mon Amour* was nominated for a 2011 Hugo Award.**

Throughout the 1980s, the highest priority of Seattle-area police was the apprehension of the Green River Killer, the man responsible for the murders of dozens of women. In 1990, with the body count numbering at least forty-eight, the case was put in the hands of a single detective, Tom Jensen. After twenty years, when the killer was finally captured with the help of DNA technology, Jensen spent 188 days interviewing Gary Leon Ridgway in an effort to learn his most closely held secrets.

Written by Jensen's own son, acclaimed entertainment writer Jeff Jensen, *Green River Killer: A True Detective Story* presents the ultimate insider's account of America's most prolific serial killer.

5 1/2" tall, limited to 1,000 numbered pieces

Packaged in its own tin box, with a pin-back button and character booklet

$49.95

The 1960s brought a cultural upheaval in music and art, with a host of new icons entering the scene: The Beatles, Andy Warhol, and of course, Marvel Comics, led by a host of characters that redefined modern comic books.

The fourth statuette in the Marvel Classic Characters series is everyone's favorite blind hero, Daredevil, featured in his original black, yellow, and red costume. This ongoing character lineup presents these characters just as they originally appeared, but features a rougher surface texture, visible seam lines, and other slightly distressed aspects, such as paint application. CELEBRATING 25 YEARS

Photo of Randy Emberlin.

My memories of Dark Horse go way back to the beginning in 1985 when my longtime friend, artist and editor Chris Warner, told me I should come along and meet this guy named Mike Richardson who owned a couple of comic-book stores. At the meeting, Mike revealed his plan to start a comic-book company and I was impressed by how serious he was. Chris and I had been working together as an artist/inker team on two books for Marvel, *Doctor Strange* and *Alien Legion*, and were excited about the prospect of having a comic-book publisher on the left coast and in our neck of the woods.

Somewhere along the line Mike asked if Chris and I would be interested in doing stories of our own characters to launch the first four issues of an anthology book called *Dark Horse Presents*. Both of us were extremely interested in the creator-owned aspect of this venture, let alone being a part of the flagship comic book of a new company. The black-and-white comic-book boom was in full swing, and I remember being very excited about it. I worked with my friend and senior editor Randy Stradley to plot my contribution, "Mindwalk." I remember using the strip as a platform to experiment with various inking styles and the use of "craft-tint." Each of us that contributed also provided a cover for one of the issues in our story arc.

I remember bringing in my finished artwork when Dark Horse was just a little three-room, hole-in-the-wall office space. I think there was a production paste-up crew of about two or three people back then. The whole operation reminded me of when Chris Warner and I published our own fanzines back in the 1970s. It felt good to be part of something refreshingly new in an industry where comics had started to become old hat and pedestrian in many ways. Obviously, *Dark Horse Presents* was a success, and I am proud to have been a part of it. Even though I had a career at Marvel, I continued to contribute to Dark Horse by working on projects like *The Mark*, then later as the inker on *Ghost* for several years, as well as the *Star Wars: Crimson Empire II* series. I have inked many other books for them over the last twenty-five years and look forward to doing some new creator-owned work for them on the recently relaunched *Dark Horse Presents*.

ADVANCE SOLICITED • On sale MAY 23
408 pg, 8.25" x 12.5", FC, $99.99 US

Presenting the classic tale of the Dark Knight from writer Jeph Loeb and artist Tim Sale for the first time in DC's upscale Absolute format!

Collecting BATMAN: DARK VICTORY #0-13, this epic continues the story of THE LONG HALLOWEEN. It is early in Batman's crimefighting career, when James Gordon, Harvey Dent, and the vigilante himself were all just beginning their roles as Gotham's protectors.

Once a town controlled by organized crime, Gotham City suddenly finds itself being run by lawless freaks, such as Poison Ivy, Mr. Freeze, and the Joker. Witnessing his city's dark evolution, the Dark Knight completes his transformation into the city's greatest defender. He faces multiple threats, including the seeming return of a serial killer called Holiday. Batman's previous investigation of Holiday's killings revealed that more than one person was responsible for the murders. So the question remains: who is committing Holiday's crimes this time? And how many will die before Batman learns the truth?

NOCHE ROJA TP

Written by SIMON OLIVER
Art by JASON LATOUR
Cover by LEE BERMEJO

On sale JANUARY 4 • 184 pg, B&W, $12.99 US MATURE READERS

In the tradition of *Chinatown* and *L.A. Confidential*, writer Simon Oliver explores a hidden world of corruption where money, sex, politics and crime all add up to the same thing.

In the desert just south of the border, young women are turning up murdered. No suspects. No clues. And authorities seem uninterested in uncovering any. When ex-private eye Jack Cohen is hired to find one missing girl, he is drawn back into the shadow world between North and South. And there, he must face the terrible tragedy in his past that he's been running from all these years.

Featuring the gritty, stylized artwork of Jason Latour, NOCHE ROJA is a gripping noir tale of how the insatiable craving for cheap consumer goods leads to the ultimate cheapening of life itself.

BATMAN: ARKHAM CITY: SERIES 1 ACTION FIGURES

Welcome to Arkham City, the new maximum security "home" for all of Gotham City's thugs, gangsters, and insane criminal masterminds.

Set inside the heavily fortified walls of a sprawling district in the heart of Gotham City, it's filled with the most murderous villains from DC Comics' Batman universe. But Batman is ready to tackle it with all-new gadgets and his greatest—and most dangerous—allies. Which is good, because he'll need all the help he can get for his journey into the darkest corners of Gotham.

Among those he'll encounter:
Tim Drake battles crime as Robin, delivering punches (and signature quips) to aid in the Caped Crusader's mission to shut down Arkham City. In a nice new outfit, Harley Quinn has taken to the front lines to personally fulfill the Joker's sickest wishes of mischief and mayhem. She's not going to let anyone get in her way—least of all Batman. Based on the upcoming blockbuster video game published by Warner Bros. Interactive Entertainment, developed by Rocksteady Studios, and licensed by DC Entertainment.

On sale December 21, 2011 * Action Figures * PI

After COBRA's last relentless assault, you'd think G.I. JOE would finally catch a break. You'd be DEAD wrong! When a team of G.I. JOES led by Iceberg arrives on the North Polar Icecap to investigate an old Russian ice station, it doesn't take long for COBRA to set an ambush and capture the JOEs! Meanwhile, Firefly and Crystal Ball unleash an insidious operation to infiltrate a G.I. JOE stronghold located in the heart of New York and shut the JOEs' secret weapon down. It's up to Mainframe and Joe Colton to put an end to COBRA's scheme. But the clock's ticking… can they shut down the assault in time to help out Iceberg and his team?

New York Times best-selling author and Eisner-nominated creator of *iZombie*, **Chris Roberson**, delivers a magical ongoing new series. Memorial is the story of Em, a young woman who arrives at a hospital in Portland, Oregon with no memory of her past. A year later, she has rebuilt her life, only to find her existence thrown into turmoil after she inherits a magical shop--the kind that appears in an alley one instant and disappears the next. Em finds herself drawn into a supernatural conflict between immortal beings representing fundamental aspects of the universe itself. All of existence is at stake, and the only things standing in the way of total oblivion are Em, the magical shop, and a talking cat. With art by the fantastical **Rich Ellis**, and cover by the legendary **Michael WM Kaluta**. It's *Doctor Who* meets *Sandman* by way of **Miyazaki**!

PLEASE INQUIRE

John Romita, Sr., although not the creator of Spider-Man, was the web-slingers defining artist–he made the character his own and set the tone for all that was to follow. Now, with the full co-operation of Marvel Comics and **John Romita Sr.**, IDW Publishing is proud to present *JOHN ROMITA'S THE AMAZING SPIDER-MAN: ARTIST'S EDITION!*

This beautiful book collects issue numbers 67, 68, 69, 71, 75, 84, and more, and features some of Spidey's most memorable stories, including battles with an unbeatable line-up of many of his greatest villains: THE KINGPIN, THE GREEN GOBLIN, MYSTERIO, THE LIZARD, AND DOCTOR OCTOPUS!

WHAT IS AN ARTIST'S EDITION?

ARTIST'S EDITIONS ARE PRINTED THE SAME SIZE AS THE ORIGINAL ART. While appearing to be in black & white, each page has been scanned in COLOR to mimic as closely as possible the experience of viewing the actual original art–for example, you are able to clearly see paste-overs, blue pencils in the art, editorial notes, art corrections. Each page is printed the same size as drawn, and the paper selected is as close as possible to the original art board.

The zombie threat is over, but at great cost to CVO (Covert Vampiric Operations), who must pick up the pieces, rebuild the team, and figure out what lasting repercussions there are in a world where magic was forever changed. And a threat from beyond also brings in other familiar faces from across IDW's developing universe! From writers **Chris Ryall** (*Zombies vs. Robots, Groom Lake*) and **Tom Waltz** (*Silent Hill, Teenage Mutant Ninja Turtles*) and artist **David Messina** (*Angel, True Blood*) comes a non-stop action-adventure that takes madness to some very unexpected places!

"THE SUBTLE HINTS OF COMEDY BRING HOME THE NOTION THAT THIS IS A TONGUE IN CHEEK MONSTER MASH OF A COMIC. FROM THE OVERLY SEXY SCIENTIST TO BENNY'S MECHANICAL ARM WOES, THE B-MOVIE VIBE IS DONE RIGHT."

In the Shadow of Sherlock Holmes features 21 stories published during the earliest days of detective literature, 1862 to 1910. These stories are stand-outs in the field, and though not well-known today, they deserve as much recognition as Arthur Conan Doyle's master detective in whose shadow they have been relegated. IDW corrects that literary oversight in this "best of the best" collection.

Sherlock Holmes, the great detective, stars in four of his strangest cases in this graphic novel. In "Dr. Jekyll and Mr. Holmes", Sherlock must help a friend immersed in a split personality spinning towards madness. In "The Adventure of the Opera Ghost", Holmes travels to France to uncover the murderous "Phantom", terrorizing the Opera House. In "Murder at Moulin Rouge", Holmes and Watson return to France to unravel death at the famed club and gain assistance from notables such as Oscar Wilde and Toulouse Lautrec. In the fourth full-length mystery, a budding reporter attempts to uncover the disappearance of Holmes in his retirement years, only to find that Holmes has a new passion and it deals with corpses. As a bonus, "The Amazing Holmes" short tale is included as Holmes is put to the test to see if he can solve a challenging maze.

"THIS IS ART, HISTORY, NOSTALGIA - AND WHATEVER ELSE YOU WISH TO CALL IT, ALL ROLLED UP IN ONE MAGNIFICENT COLLECTION."
- GREG BARBICK, BLOGCRITICS.ORG

This second volume picks up where *Blondie: The Courtship and Wedding* left off. The story begins with Blondie and Dagwood on their honeymoon and features one hilarious gag after another. But all is not fun and games when the newlyweds arrive home. Dagwood's parents have disinherited him and the optimistic bumbler must go to work.

In the first three years of the strip, **Chic Young** experimented with different themes and approaches, but it's in the fourth through sixth years reprinted in this volume that he establishes the elements that would make Blondie the most popular comic strip in the world. All of the iconic elements and many of the regular characters in the strip are introduced in these pages: Dagwood's boss Mr. Dithers, his neighbor Herb, the dog Daisy…and in 1934, the first of the Bumstead children, Baby Dumpling (who is later given the name Alexander).

For millions of readers who've loved the Bumsteads over the years, this essential collection tells the complete tale of the couple's early marital bliss. Produced with the cooperation of the Chic Young family, the book includes an informative and entertaining introduction by Brian Walker that places Blondie in its historical context.

This is the very beginning of Blondie and Dagwood's life as we now know it.

In 52 BCE, General Caius Rodius, retired hero of Caesar's Legions, is called back to war. In nearby Gaul, Rome's combined armies lay siege to the Gallic stronghold of Alesia in a conflict fated to shape history. A third barbarian horde prepares to attack the Romans from without, led by the rebel Cammius, who once fought for Rome. Rising star Julius Caesar dispatches Rodius to track through the wilderness and bring back the rebel's head. Who better to hunt Cammius than the man who taught him the very skills he now uses to defy Rome? Rodius must choose between duty to Rome and Caesar or the barbarian he raised as his own son.

Story by international comics legend **TITO FARACI** (DIABOLIK, SPIDER-MAN: THE SECRET OF GLASS, DAREDEVIL AND CAPTAIN AMERICA), art by award winning, multiple Eisner nominee **DAN BRERETON** (**NOCTURNALS**, PUNISHER, MARVEL ULTIMATE TEAM,-UP, GOD-SIZED THOR, RED SONJA).

Tony Chu is a detective with a secret. A weird secret. Tony Chu is cibopathic, which means he gets psychic impressions from whatever he eats. It also means he's a hell of a detective--as long as he doesn't mind nibbling on the corpse of a murder victim to figure out whodunit and why. He's been brought on by the Special Crimes Division of the FDA, the most powerful law enforcement agency on the planet, to investigate their strangest, sickest and most bizarre cases.

MARVEL THOR CLASSIC AVENGERS FINE ART STATUE

A **KOTOBUKIYA** Japanese import! The mighty Thor is back and better than ever! In 1962 comic book mastermind Stan Lee set out to create a new superhero, one who was incredibly powerful. He found such a character in Norse mythology, the god of thunder. A true champion of good, he has fought beside many other Marvel Comics superheroes throughout the years, including several incarnations of the Avengers. It's in that spirit that he appears as the first in an all-new fine art statue series: **THOR CLASSIC AVENGERS**!

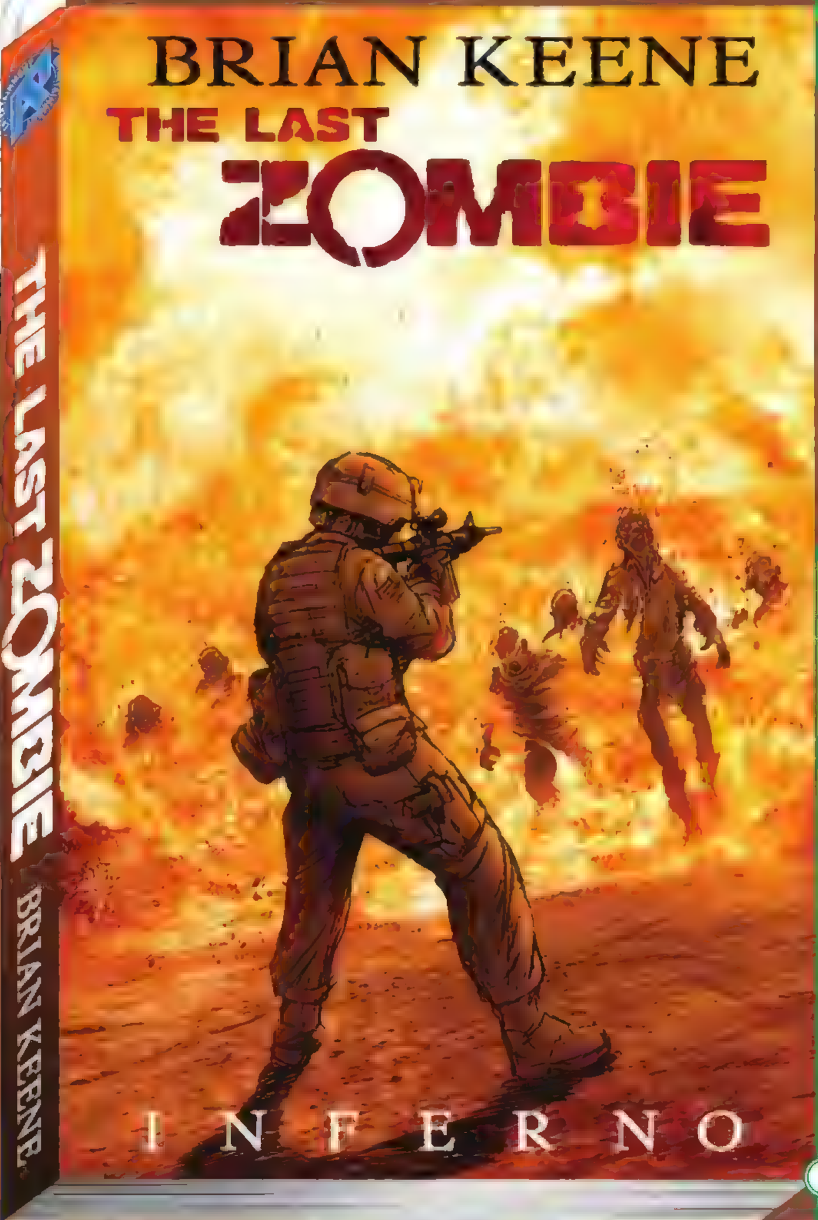
VICTORIAN SECRET GIRLS of STEAMPUNK

WINTER WARDROBE

Victorian Secret: Winter Wardrobe #1
Text/Art: Ben Dunn, Fred Perry, David Hutchison, Brian Denham
Whether you're traipsing 'cross the glaciers of Hyperborea or merely facing the frigid facts of a snowy season at home, our daring damsels will warm your body and soul! Be they in leather or fur or padded brass fittings (and oh, how they fit), they'll make your steampunk steamier than ever before! (one-shot, color, 32 pp., $3.99 U.S./Can.)

The Last Zombie: Inferno TPB
Story: Brian Keene Art: Brian Denham, Fred Perry
In the dead of winter, A.P. popular new series, The Last Zombie: Inferno picks up where The Last Zombie left off, as Doctor Ian Scott and his team of soldiers and scientists make their way across the wastelands of a post-zombie apocalyptic America. Infected with the virus that caused the zombie outbreak, Ian struggles to stay alive long enough to see his wife again. As if that wasn't enough, the team find themselves caught between a raging, state-wide wildfire and the radioactive destruction of a nuclear reactor meltdown. (softcover TPB, 128 pgs., $14.95 U.S.)



Evil Spock T-Shirt
One must always be dressed for the occasion when you have to deal with your opposite number. We submit to you that other shirts are illogical, because they cannot compete. We do not threaten you to wear this shirt, we merely state facts. Do you dare defy the dress code of the Terran Empire? Your agonizer, please.

INNER SANCTUM
TALES OF WRITTEN HORROR SUSPENSE
Ernie COLON

INNER SANCTUM GN

NBM

Ernie Colon brings an illustrated interpretation of the much loved old time mystery and horror radio show, *Inner Sanctum Mysteries*. Originally running for 11 years from 1941 to 1952, *Inner Sanctum Mysteries* was an anthology series of mystery, terror, and suspense. Filled with morbid jokes and playful puns, you can almost hear the host's mocking sardonic voice as you read the narration and the macabre themes of the stories are reminiscent of 1960's *The Twilight Zone*.

Erinie Colon is absurdly bewitching with his tribute to *Inner Sanctum*; a show that gave him "so much fun and Goosebumps" as a kid. This will make a great gift for all the old-time sci-fi radio and TV fans in your life.

MUSE HC

Humanoids

Many of the world's most fascinating comics come from creators outside of North America. *Muse* is a great example of one of these projects that a lot of North American readers don't typically see but should never turn down a read when the opportunity presents itself.

Muse is an exploration of dream and fantasy told through the mind of the beautiful Coraline. When she comes to live as a governess in a luxurious mansion filled with interesting characters and exotic, steampunk technology, Coraline soon realizes she is in a very unusual place.

Terry Dodson, recognized for his prowess with a pencil at Marvel and DC, does a spot-on job of rendering these unique fantasy characters and locations that Denis-Pierre Filippi is known for writing. Fantasy, science fiction and erotica all abound in *Muse*.

WELCOME TO MECHANI-CON!

From the imaginative mind of Joe Benitez with colors by the incomparable Peter Steigerwald, comes the fan-favorite supernatural action-adventure series!

The tabloids dubbed her "LADY MECHANIKA", the sole survivor of a psychotic serial killer's three-year rampage through London. Found locked in an abandoned laboratory amidst countless corpses and body parts, with her own limbs amputated and replaced with mechanical components, her life began anew. With no memory of her captivity or her former life, LADY MECHANIKA eventually built a new life for herself as a private detective, using her unique abilities to solve cases the police couldn't or wouldn't handle. But, she has never stopped searching for answers... LADY MECHANIKA's investigation of the Mechanical Girl has lead her to a band of traveling gypsies. But their aid may not come soon enough as Mechani-Con has arrived, along with Lord Blackpool and his astounding machines. Amongst the glitz and glamour, there are those dressed to kill, and they all have LADY MECHANIKA in their sites! LADY MECHANIKA #4 is in stores December 28th, 2011!

Garth Ennis' STITCHED #2 Regular Cover

Retail Price: $3.99 US

Cover: Mike Wolfer
Writer: Garth Ennis
Art: Mike Wolfer
Format: MR, FC, 32 pages, Ongoing

PRODUCT DESCRIPTION: Garth Ennis continues the epic story begun in his film, Stitched! Deep behind enemy lines in war-torn Afghanistan, the surviving crew members of a downed American Blackhawk helicopter faced certain death until the arrival of the three British SAS soldiers who the chopper crew was to extract from unfriendly territory. Death could find them in a dozen different ways, but it's not enemy fire, dehydration or exposure to the elements which the refuge-seeking group fears most- It's the "Stitches," the fearsome, corpse-like dead men who hunt the desert wastes, ripping apart both Taliban fighters and coalition forces alike. With precious little water and limited ammo, the six embark on a flight for survival across a desert littered with the corpses of the mutilated and enforced by the supernaturally-animated "Stitches." This new on-going series is certain to appeal to Ennis' legions of fans as it pushes the envelope of horror beyond the boundaries of sanity and into fresh nightmares. Stitched #2 is available with a Regular cover, Wraparound cover, and Gore cover by series artist Mike Wolfer, and a special Stitched Movie Photo cover retailer incentive cover.

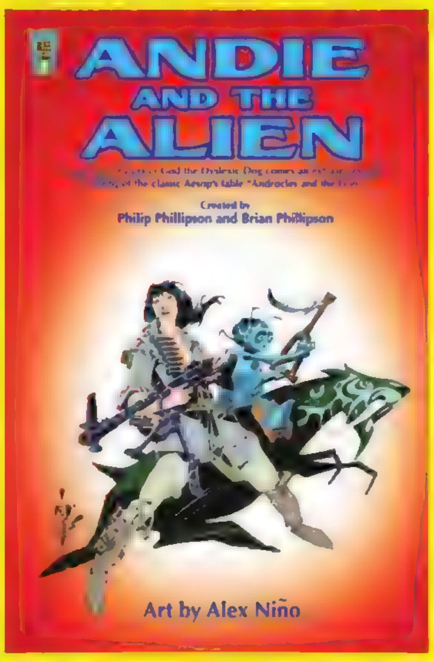
Andie and the Alien

From the creators of God the Dyslexic Dog and with the mind-bending art of Alex Niño, comes an extraterrestrial retelling of Aesop's classic fable:

Androcles and the Lion



Long ago, a spaceship crash lands in the undiscovered Americas. Rescued by natives, the alien pilot promises to protect them from foreign invaders by placing a force-field over the Americas -- preventing foreign exploration and colonization of the continent -- and altering the course of history as we know it.

500 years later, in a world where the USA doesn't exist, the Nazis are about to win World War II. Hitler, using the recovered alien and its technology, hatches a diabolical plan for world conquest. It will take all the luck and skills of a captured British scientist named Andie to rescue the alien from Hitler and save Earth from the total domination of the Third Reich.

NELSON GN

Certified Cool

(W/A) Various
Over fifty of the UK's most interesting comic creators have taken part in this unique collaboration. One continuous tale takes us from 1968 to the present with one chapter for every year, each of those chapters recording the events of one day in the life of one woman. A life told in snapshots. Nel Baker's life. *Nelson* embraces all aspects of comics storytelling across a wide spectrum of UK-based creators, uniting established talents from 2000AD, DC, Marvel, Dark Horse, The Beano, and The Dandy with small press, Web comic and newspaper strip artists in one intriguing story. Nelson is an unprecedented anthology, a crazy experiment that is part exquisite corpse and part relay race, and best of all, an all–consuming novel like nothing you have seen before. ANDIE AND THE ALIEN GN

(W) Philip Phillipson, Brian Phillipson
(A/C) Alex Nino
Over 500 years ago, an alien spaceship crashed in the undiscovered Americas. Rescued by the local natives, the alien promised to protect them by placing a force field over the Americas — preventing exploration and colonization of their land — and altering forever the course of history as we know it. 500 years later, in a world without the United States of America, the Nazis have won World War II and rule absolutely. Until one day, a captured British scientist named Andie (with the help of Albert Einstein, of course!), hatches a plan to rescue the alien and save the future from the Third Reich.

Nelson is a 250-page collaboration between 54 of the UK's most exciting comic creators. It is an unprecedented experiment to create one complete story – a collective graphic novel.

Based on an original idea by Rob Davis and co-edited by Davis and Woodrow Phoenix, ***Nelson*** celebrates the incredible diversity of talent in British comics today. Creators known for their editorial and national newspaper strips unite with those from humour comics such as the *Beano*, *The Dandy*, and *MAD Magazine* joining a wealth of talent from children's books, indie publishing and webcomics, with the science fiction and superhero worlds of 2000AD, Marvel, DC, and Dark Horse.

54 creators, 54 episodes, detailing 54 days. The result is a surprising and compelling book that is sad, funny, moving, poignant, ridiculous, heartfelt, and real. This is a story like none you have seen before.

We all know what it's like to be screwed over. I mean well and truly hosed. We're talking the kind of shellacking that leaves you speechless at the sheer magnitude of the burn, nursing a bottle of cheap whiskey. Good, now remember what it's like when that numbness wears off, when the fog of disbelief starts to fade and those feelings devolve into rage and the desperate need for scorched-earth vengeance.

I wanted to take that emotion and drop it into a familiar vehicle of classic genre fiction that could deliver this kind of story – the kind invented by the great Robert E. Howard and most recently so intelligently reinvented by the magnificent George R. R. Martin in his epic "A Song of Ice and Fire" – and then give it a wild new spin that could give it a chance to say something different.

He's been to the grave and back again. Now he's got a big sword and he's read to kill things stupid enough to get in his way. At its core, that is what Outcast is all about. One brassed-off man who will stop at nothing, and I mean nothing, to get back what was taken. And he's got absolutely nothing left to lose. Oh, sure, you've heard that before, haven't you? "Well, he could always lose his life," you might say to yourself. But you'd be wrong. He's already dead. No, really. Dead as a doornail. And he doesn't care. Does. Not. Care.

And if that's not interesting enough, there are his cohorts, the feral woman with anger management issues and the charming alcoholic with more secrets than a fifth-term congressman. Dozens of wannabe kings have turned most of the known world into a blood-soaked killing field with their political jockeying and every man, woman, and child is as likely to cut your throat for a loaf of bread than not.

Oh, and don't even get me started on the bad guys.

You see, Valen Brand used to be King. Now he's not. He used to be alive. Now he's not. He used to be loved. Now he's not. All that's left from the world he once knew is a sword that you and I couldn't lift unless we had a forklift and waiver from OSHA. But that sword is just the thing he needs to get back all that he's lost. It's the quill he'll use to write his legend into the pages of history. Because this is a man who knows what it's like to conquer enemies, to watch the light go out of their eyes when he runs them through. For him, the sound of clashing steel and screaming men are like music. The smells of the battlefield, from burning meat to the stench of blood and organs ground into the mud, is as invigorating for him as the smell of morning coffee is for us. He was a ferocious warrior even before everything was taken from him. Now that the encumbrances of his kingly station no longer bind his actions, he's beyond anything his enemies thought possible.

And woe to those stupid enough to get in his way.

Fluffy Fluffy Cinnamoroll

Viz Media's latest licensed property has been revealed and he's white, he's fluffy…he's Sanrio's Cinnamoroll. *Fluffy, Fluffy Cinnamoroll* is the beginning of what I hope will be a long-running series of Sanrio-licensed books from Viz and Viz Kids. I prefer the cuter, fluffier set of characters in my comics and graphic novel materials, and Cinnamoroll fits that bill to a fluffy "T." This graphic novel is sure to delight fans of Viz Kids' products and fan of Sanrio's products. I'm looking forward to it and will be ordering a copy for my niece and stepdaughter as well.

Beneath the ground, Lady Death fights for her life against the horror of Stigmata, the villainess composed of sentient, living blood. But how can Lady Death possibly prevail over an untouchable enemy who can infect and possess her victims with but a single drop of her own blood? The mighty Wargoth, meanwhile, faces a decisive battle of his own, as Death Queen's chief assassin Behemoth confronts the rebellion's surrogate leader. This time, however, Behemoth's powers have been boosted by the magical energy of the revenge-seeking Satasha, who was once Wargoth's closest ally. Blood will fly, flesh will fail, and before this night is done, one will die in the most shocking LADY DEATH climax yet! Cross Game
Mitsuru Adachi

CROSS GAME GN
Viz Media

Please don't think of this series as "just manga"; you would only be cheating yourself. Manga has such a narrow connotation among casual fans: giant eyes, over the top reactions, goofy special attacks—that's not this at all. This award-winning work has all the subtlety, high-art, believable action, and interpersonal drama of a skillfully woven graphic novel.

Cross Game follows high school student Ko and his neighbors, a family with four sisters, in a sincere romance story played out against an intense backdrop of national level baseball. Gentle, supportive Wakaba loves Ko with a powerful, joyful heart. She gives him purpose and focus. Yet nothing is permanent, and creator Mitsuru Adachi brings the climatic prelude to a close with a punch that leaves Ko, the sisters, and the reader reeling.

Background art is brilliantly rendered, highly detailed, and lends the world a sense of familiar reality. The minutely outlined seats in the baseball bleachers, the long city streets with every antennae and power line visible, each leaf of every tree in the park — it draws the reader along on the long road to the National Championship and sets the stage perfectly for Adachi's team of characters.

The author's affection for his players is evident in every line of his work. From the exquisite backgrounds to the good-natured light he casts even on their flaws, there is a love packed into this series that draws the reader in, makes them at home, and has them sympathizing with Ko and the family of sisters as if they were dear friends. Pick up this series, collected in oversize 300 page volumes, and you will root, root, root for the home team!

FLUFFY, FLUFFY CINNAMOROLL
Viz Media

Viz Media's latest licensed property has been revealed and he's white, he's fluffy…he's Sanrio's Cinnamoroll. *Fluffy, Fluffy Cinnamoroll* is the beginning of what I hope will be a long-running series of Sanrio-licensed books from Viz and Viz Kids. I prefer the cuter, fluffier set of characters in my comics and graphic novel materials, and Cinnamoroll fits that bill to a fluffy "T." This graphic novel is sure to delight fans of Viz Kids' products and fan of Sanrio's products. I'm looking forward to it and will be ordering a copy for my niece and stepdaughter as well.

The original Lord of the Jungle returns! If you thought you knew the story, think again! For the first time in its 100 year history the classic Edgar Rice Burroughs story, Tarzan of The Apes is told UNCENSORED! This series will capture the savagery and action of the original while expanding on it with new elements! The story begins in the late 1800s, John Clayton, Lord of Greystoke, and his wife, the Lady Alice, are left stranded on a remote African coast. They must fend for themselves in this savage world, and the fact that Lady Alice is pregnant doesn't make things any easier!

The violent saga of Greystoke begins in December written by Arvid Nelson and illustrated by Roberto Castro, and featuring covers by Alex Ross, Lucio Parillo, Ryan Sook, and Paul Renaud!

Five hundred years in the future the government monitors everything - including your mind. Everyone on earth has been infected with a nano-tech virus that allows a central computer known as the Omnimind, to tap into and analyze people's thoughts. As a result, all crime has been eliminated from society for decades, until a violent murder shatters the fragile social facade.

Searching for answers, a group of rebels have engineered the ultimate weapon: a genetically altered child, born immune to the virus. With the ability to act undetected, he's the only one on the planet that can elude the elaborate apparatus of the suffocating Ominimind. Now in a society where security is the paramount concern, the hunt is on for the one blip in the system that might bring the whole house of cards crashing down.

THE TYRANT FALLS IN LOVE VOL 5

恋する暴君

HINAKO TAKANAGA

Morinaga has finally achieved the impossible! He's living under the same roof as the ever-aloof (and totally gorgeous) Tatsumi... but the sad truth is that Tatsumi's bedroom remains under lock and key! Is this a serious signal that Tatsumi wants nothing to do with his crushed-out housemate? Or will the door swing open just enough to let Morinaga in for a little visit? The Tyrant Falls In Love takes two men out of the lab and forces them into the bedroom for a hot and hilarious series of near-misses...and surprisingly sizzling trysts! How long will it take for a sweetheart and a surly bully to put their differences aside in the name of penetrating passion?

Femme FATALES™

BO PEEP

We've heard of a wolf in sheep's clothing, but a shepherdess in wolf's clothing? Not-so-little Bo Peep has lost her sheep, and she doesn't know where to find them. But they're probably fine, because all the wolves in town know what'll happen to any wolf who tries to rustle the sheep in her care! Standing nine inches tall, this Jean St. Jean sculpt re-imagines the demure shepherdess as a fierce highlands warrior with wolfskin boots and gauntlets and a shepherd's crook that will take your head off.

BERLIN #18

(W/A/CA) Jason Lutes

Certified Cool

A new chapter of *Berlin: City of Light*, the final volume of Jason Lutes' epic trilogy. Confronted by the hatred and fear that has begun to seep through the cracks in the Weimar Republic, Kurt Severing retreats into drink and despondency. Across the city, Silvia Braun has fallen in with a gang of young Communists, who are dumbstruck when she single handedly attacks two Nazis in the street. Meanwhile, the idyllic nocturnal escapades of Marthe Müller and Anna Albrecht are shattered by a police raid on one of their favorite nightclubs, which leaves their relationship in ruins. O/A BERLIN #17

(W/A/CA) Jason Lutes

Kurt Severing finds himself drawn to the Communist party, the only viable opposition to the National Socialists, who in the election of 1930 have gained legitimacy in the national government. Silvia Braun comes into her own as a Communist street fighter, compromising her relationship with the Jewish family that has taken her under its wing. And the true nature of the relationship between Marthe Muller and Anna Albrecht is discovered when their landlady surprises them in bed together. (STK423643)

Find Out What Happens When The Sidekicks Take Over!

BUZZBOY: SIDEKICKS RULE! TP

Red Giant Entertainment

I've always been a big proponent of comics for younger readers and have promoted them as a collector, as a retailer, and as part of Diamond Comics.

One of the first publishers I had the pleasure to work with was John Gallagher who shared my love of comics and Kirby and Toth in particular. John always offered comics accessible to young readers, usually featuring his creation Buzzboy.

In *Buzzboy: Sidekicks Rules!*, the complete mini-series featuring Buzzboy in his early days as a sidekick, years before he becomes the world saving hero as an adult. When the Earth's greatest adult heroes disappear, Buzzboy and his other sidekick buddies save the world and make it fun for readers of all ages to enjoy their adventures.

John has always tried to add extras to his books, and his how-to for kids are a bonus for those wanting to create their own characters.

YOUNG ROMANCE: THE BEST OF SIMON & KIRBY'S 1940s-1950s ROMANCE COMICS

by Joe Simon and Jack Kirby; edited by Michel Gagné

$29.99/ HC / 200 pgs / FC / 7.5 x 9.75

In the late 1940s, Joe Simon and Jack Kirby set the comics world on fire with the creation of a genre that resulted in some of the best-selling American comic books of all time: the romance comics. The stories they created were exciting, innovative, and beautifully drawn, and remain a high point in both artists' careers. This book brings this wonderful work back to light by reprinting 21 stories in full-color with 200 pages of never-before reprinted material restored by award-winning artist and animator Michel Gagné.

FLANNERY O'CONNOR: THE CARTOONS

by Flannery O'Connor; edited by Kelly Gerald

$22.99 / HC / 120 pgs / PC / 10 x 8.25

Fantagraphics is honored to bring the little-known early cartoons of one of the greatest writers of the 20th century to a 21st century readership. *Flannery O'Connor: The Cartoons* reprints all of the cartoons she did for several small newspapers and University publications in the 1940s in which she lampoons student life and the impact of World War II on the home front whilst trying out artistic techniques that were later deployed in her fiction. The Southern Gothic humor and acid observations will be instantly recognizable to all fans of this beloved icon of American literature.

NANCY IS HAPPY: DAILIES 1943-1945

by Ernie Bushmiller; introduction by Daniel Clowes

$24.99 / SC / 324 pgs / BW / 8.5 x 8.5

Beginning in the winter of 2011, Fantagraphics proudly unveils an ongoing *Nancy* reprint project with each volume containing three years of daily strips. For many years, Ernie Bushmiller's *Nancy* was all but ignored by comic fans until comic connoisseurs took a closer look and began to realize that Bushmiller's art approached its own kind of cartoon perfection and often achieved a striking zen quality. This first *Nancy* volume will feature an introduction by Daniel Clowes, a biography of the artist and and over 900 lovingly retouched, never-before-reprinted classic strips.

MUSH! SLED DOGS WITH ISSUES GN

(W) Glenn Eichler (A/CA) Joe Infurnari

Venus wants Buddy to quit asking her to "make puppies." Buddy wants Winston's help wooing Venus. Winston wants Guy's respect. Guy wants Dolly's job. Dolly wants to know the meaning of it all. Nobody knows what Fiddler really wants, not even Fiddler But mostly, these sled dogs just want to run. Sounds simple? It should be, but even dogs have their problems. From *Colbert Report* writer Glenn Eichler comes a postmodern tale of heroism on the tundra, epic romance, and yellow snow. (STK453250) (C: 0-1-1)

THE CARTOON INTRODUCTION TO ECONOMICS VOLUME 2: MACROECONOMICS TP

(W) Yoram Bauman (A/CA) Grady Klein

The Cartoon Introduction to Economics: Volume Two: Macroeconomics again delivers on the promise to provide you with the most digestible, readable, and humorous 200 page introduction to economics you'll ever read. *Macroeconomics* explains the factors that affect the economy of an entire country and, indeed, the planet. It explores the two big concerns of macroeconomics: how economies grow and why economies collapse. It also illustrates the basics of the labor market and unemployment, inflation and debt, what the GDP is and what it measures, and the influence of government, trade, and technology on the economy. KRAMERS ERGOT VOLUME 8
(W/A) Various (CA) Robert Beatty
Kramers Ergot is the premier comics anthology of the 21st century. It has always been a reflection of editor Sammy Harkham's current interests in comics past and future. In that spirit, with this new volume, the he severs *Kramers Ergot* from many of the formal and stylistic elements with which it made its name. *Kramers Ergot 8* is a complete shift both aesthetically and physically. The size of the book is smaller, to encourage a more intimate reading of the material, and the content reflects a focus on substantial works from a small group of no more than a dozen artists. MUSE HC

Humanoids

Many of the world's most fascinating comics come from creators outside of North America. *Muse* is a great example of one of these projects that a lot of North American readers don't typically see but should never turn down a read when the opportunity presents itself.

Muse is an exploration of dream and fantasy told through the mind of the beautiful Coraline. When she comes to live as a governess in a luxurious mansion filled with interesting characters and exotic, steampunk technology, Coraline soon realizes she is in a very unusual place.

Terry Dodson, recognized for his prowess with a pencil at Marvel and DC, does a spot-on job of rendering these unique fantasy characters and locations that Denis-Pierre Filippi is known for writing. Fantasy, science fiction and erotica all abound in *Muse*.

ISSUE 5 • DECEMBER 2011

With Election Day looming, the disappearance of five corrupt police officers becomes a tipping point in San Francisco as policemen and vigilantes alike engage in their pursuit. While Lieutenant Jack Cassidy seeks these officers through legal means, recently retired SFPD veteran Frank Lincoln abandons his long-held moral code in search of his brother, Henry, and Isaac Lordsman, dead-set on doing whatever he must in order to stop their destructive path. However, he may already be too late, as Henry Lincoln's troubled protégé finally spins out of control, leaving unimaginable tragedy in his wake

HOTWIRE™

Requiem for the Dead

In the near future, the living and the dead share the same space. Most of the "Blue Lights" are harmless, witless drones, as lost in death as they were in life. Some want revenge. Some want power. Some even want company to join them in the ranks of the departed. Enter Alice Hotwire, Detective Exorcist. She's the best there is at keeping the peace on the Blue Light beat, and her fellow officers hate her for it. It's a job she doesn't want, in a world she doesn't understand — but when a break-in at the Maximum Security Necropolis sets off a surge of violent, brutal hauntings, Alice Hotwire knows she's the only one that can pull the city from the brink of chaos.

This extremely limited special edition collects the critically acclaimed miniseries in a deluxe hardcover format with a cover ***signed by the author and artist, Steve Pugh***. This edition includes a gallery of concept and character art as well as creator interviews.

ATOMIC ROBO AND THE GHOST OF STATION X #5

(W) Brian Clevinger
(A/CA) Scott Wegener
We'd like to apologize for the content of the four previous solicitations. They were unnecessarily antagonistic. Let's just agree that people who aren't buying this comic are to be pitied like the miserable wastes of skin they are. In this, the concluding issue of *The Ghost Of Station X*, Atomic Robo finally comes face to face with the brains behind the plot to destroy him. The twist? Whether or not he lives, humanity dies. A fun comic book for all ages! (STK453361)

DRY SPELL GN

(W/A/CA) Ken Krekeler
Tom Ferris lives in a world of super-heroes — vibrant colors that streak across the sky, that hurl themselves over rooftops at night. They are commonplace. But Tom doesn't notice that world anymore, because his world is made up of spreadsheets, of phone bills, of software and coffee and button-down shirts. Long ago, Tom had been someone special. Today, Tom has become someone else. A respectable, quiet man with a decent job and a dead dream. But each night, he lies awake, wishing for the chance to do things differently, to be the man he really is. One day, Tom gets his wish. And the world will never forget him again! Afterschool Charisma
Vol. 5
By Kumiko Suekane

St. Kleio Academy is a very exclusive school: all of the students are clones of famous historical figures such as Beethoven, Queen Elizabeth I, Napoleon, Mozart, and Freud. All of them, that is, except for Shiro Kamiya. As Shiro struggles to adapt to this unusual campus, St. Kleio's first graduate, a clone of John F. Kennedy, is killed. Are the clones doomed to repeat the fate of their genetic progenitors, or can they create their own destinies? And how does a normal boy like Shiro fit in?

EXTINCTION

Across The Pond

Everyone enjoys seeing a meteor shower, but what happens when the meteors bring an unknown virus that sweeps through Earth's atmosphere and kills off 90% of the human race?

For Dr. Perry it was his sole purpose to find a cure that could save the human population, but with only limited supplies and time he must find a way to get the cure out to everyone. For now, though, only a few select "sick" people are being provided with this so-called cure.

That's just the beginning of *Extinction*. When the "sick" believe that they are not actually sick but powerful, you can guess what happens next. They revolt against the living. They take over everything, and it's up to Dr. Perry to figure out the proper mixture to create the real cure that can reverse the process!

HAND OF FIRE: THE COMICS ART OF JACK KIRBY SC

(W) C. Hatfield

Jack Kirby is one of the most influential and popular artists in comics history. With Stan Lee, he created the Fantastic Four and defined the drawing and narrative style of Marvel Comics from the 1960s to the present day. Kirby's distinctive narrative drawing, use of bold abstraction, and creation of angst-ridden and morally flawed heroes mark him as one of the most influential mainstream creators in comics. Charles Hatfield analyzes the development of Kirby's cartooning technique, his use of dynamic composition, the recurring themes and moral ambiguities in his work, his eventual split from Lee, and his later work as a solo artist. STAR of the MONTH

75 YEARS OF DC COMICS HC

(W) Paul Levitz (A/CA) Various

In 1935, DC Comics founder Major Malcolm Wheeler-Nicholson published *New Fun* #1, the first comic book with all new, all-original comic material. What began as disposable media for children was soon on its way to becoming the mythology of our time, the 20th century's answer to Atlas or Zorro. Over 40,000 comic books later, in honor of the publisher's 75th anniversary, Taschen has produced the single most comprehensive book on DC Comics in an edition even Superman might have trouble lifting. Over 2,000 images are reproduced to bring the storylines, the characters, and their creators to vibrant life as they've never been seen before. Telling the tales behind the tomes is 35 year DC veteran Paul Levitz, whose in depth essays trace the company's history, from its pulp origins through to the future of digital publishing. DRAWING STEAMPUNK SC

(W/A) Jonathan Buck

Drawing Steampunk gives you hundreds of step by step, do it-yourself drawings of everything from tiny clothing elements to complex mechanical devices. With tips, tricks, and techniques from this book, you can take the fictional steampunk vision beyond your favorite novels and illustrate your own fashions, contraptions, and intricate machines. For beginners, there's a special primer section, while more experienced artists can dive right in to drawing the moving gears, brass knobs, and steam boilers that make the retro 19th-century style so cool. BUGF#CK: THE WORTHLESS WIT & WISDOM OF HARLAN ELLISON HC

(W) Harlan Ellison, Arnie Fenner

Harlan Ellison has been writing fiction and commentary, speaking on college campuses and television talk shows, and challenging his audiences to think outside the box for sixty years. With 90 books bearing his by-line and thousands of stories and essays and anecdotes and speeches and interviews to his credit, Ellison has written countless memorable lines in the course of his career. *Bugf#ck* (a word that Ellison coined in the 1960s and a favorite of Stephen King's) wonderfully and unforgettably gathers some of Harlan's best *bon mots*. IF YOU GIVE A KID A COOKIE, WILL HE SHUT THE F*** UP? HC

(W) Marcy Roznick (A) Miranda Lemming
*First Time in **Previews**—Originally Offered in **Previews Plus #986**!* If you give a kid a cookie, will he shut the f**k up? That is the question at the heart of this hilarious, deeply honest, profanity-laced book for parents who will do whatever it takes for a moment's peace. What really happens when you give in to your child's tantrums? The events that follow this seemingly simple act will test parents to the breaking point, while entertaining the millions of us who have been there ourselves (and lived to tell). (STK453287)

Meet the Weejects! They're creatures that are different from their kind, and to find a place where they could fit it with their differences they found a new place where they could bond together in their uniqueness. There's Inkie, an clumsy octopus with a short a tentacle. Char is a dragon who can't control his fire. Bella is a unicorn who can't fly. Mooshi is a cat, and she loves mice so much that one is her personal assistant! And there's Pandie, who is so shy he can't be alone! The Weejects accept one another because of their differences, and together they became the bestest of friends. Cute and lovable, the Weejects celebrate the differences that make each of us unique!

tokidoki × MARVEL

tokidoki is a happy world. It is a cute and playful, pure yet provocative and sophisticated world that I imagine, live, and dream of. **tokidoki** means "sometimes" in Japanese. I chose a Japanese word because I love Japan. I love everything from the ultra-modern happy face of Shibuya to the serious magic silence of Kyoto. I chose "sometimes," because everyone waits for moments that change one's destiny... by chance or by meeting a new person. **tokidoki** is the hope, the hidden energy that everyone has inside, giving us the strength to face a new day and dream about something positive that something magical will happen to us.

Ciao, my name is **Simone Legno**.

The fifth season of high-fashion apparel pairing classic Marvel characters with the cheerfulness of the **tokidoki** universe debuts in 2012! Acclaimed artist Simone Legno brings his unique design aesthetic to the Marvel Universe with his Spring 2012 collection, giving the House of Ideas a hip and hot makeover for the 21st-century and the impending arrival of spring. Whether it's a t-shirt of Invisible Girl, a skateboard deck featuring the entire Marvel Universe, a hoodie depicting Rogue having a skating playdate, or a t-shirt with Legno's original tokidoki characters, **tokidoki x Marvel** delivers the fun side of Marvel's beloved characters. Swing into action as the Spring 2012 collection ships to customers beginning in time for the blooming of the flowers.

FEMME FATALES: BO PEEP PVC STATUE

A Diamond Select Release! Designed and Sculpted by Jean St. Jean! We've heard of a wolf in sheep's clothing, but a shepherdess in wolf's clothing? Not-so-little Bo Peep has lost her sheep, and she doesn't know where to find them. But they're probably fine, because all the wolves in town know what'll happen to any wolf who tries to rustle the sheep in her care! Standing nine inches tall, this Jean St. Jean sculpt re-imagines the demure shepherdess as a fierce highlands warrior with wolfskin boots and gauntlets and a shepherd's crook that will take your head off.

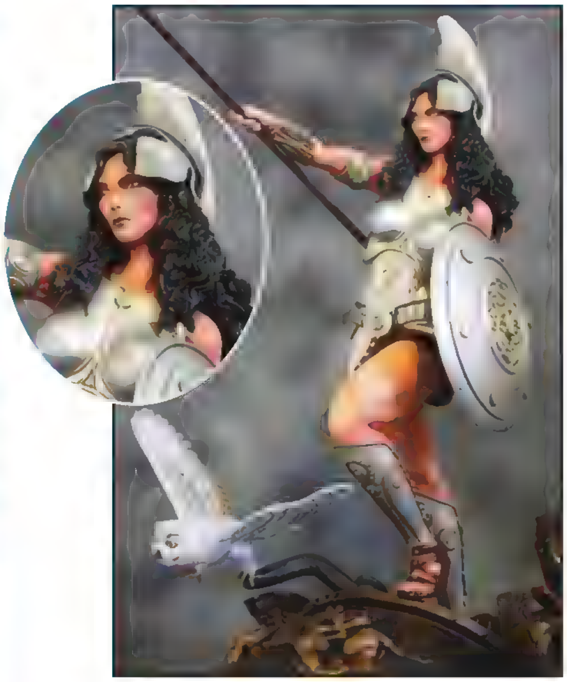
FANTASY



ATHENA 1/4-SCALE STATUE

Among the many gods the Greeks worshipped was Athena, the daughter of Zeus of Metis. The patron of the city of Athens, Athena was revered as the goddess of wisdom, warfare, divine intelligence, and crafts. ARH Studios brings this wise warrior to life in a stunning 1/4-scale statue that stands 24" tall. Standing upon a wrecked chariot, she wears a warrior's garb and is ready to bring the battle to her enemies. (STK453169) Scheduled to ship in February 2012. (1382) (C: 0-1-4)

THOR 1/4-SCALE STATUE

In the cold wastes of Scandinavia, the Vikings lead a hard and ferocious life in a harsh land, and their gods they worshipped matched their ferocity. Among the gods they worshipped was Thor, a hammer-wielding god who commanded the thunder and lightning and served as humanity's protector and a sign of virility. ARH Studios casts this thunder god as a 1/4 scale statue that stands 30" tall. Wearing the rugged clothing of the Norse men, his hammer is held high and his long red hair flows majestically. Gemini Spacecraft
SPACE COLLECTION

NASA: GEMINI SPACECRAFT 1/72-SCALE DIECAST MDL

Following Project Mercury, Gemini was NASA's second human spaceflight program. Ahead of the first landings on the Moon under the Apollo program, Gemini was designed to develop techniques that would be indispensable for future manned spaceflight. Thus, spacewalks, orbital maneuvers, and rendezvous and docking procedures were tested in a total of ten flights conducted in 1965-66. McDonnell Aircraft was selected in 1961 to build the Gemini capsule, which measured 5.79m long and 3.05m in diameter. The 3,851kg module first flew with a crew on 23 March 1965, with the world's first onboard computer onboard. This 1/72-scale diecast model recreates the legendary space capsule. WARHAMMER:
AGE OF LEGEND MMPB

(W) Various
The dark origins of the Warhammer World are soaked in blood. Epic wars between kindred races reshaped continents, vast civilizations rose and fell, the dead walked the earth in legions. This is an age of mighty heroes whose like will never be seen again, such as the man-god Sigman and Caledor, the Phoenix King of the Elves. It is also an era of dread villains like the Witch-King Malekith and Nagash, the Lord of the Undead. In these troubled times, dragons still flock the skies and magic exists that can doom or save the world. It is an *Age of Legend*. TOO FAT FOR 40
KEVIN SMITH

KEVIN SMITH: TOO FAT FOR 40

Poking fun at his much-publicized brouhaha with Southwest Airlines, writer, director, actor and ardent podcaster Kevin Smith declares himself too fat for his 40th birthday in a hilarious Q&A session with his rabidly loyal fans. Filmed at the Count Basie Theater in Smith's hometown of Red Bank, New Jersey, this two hour comedy special spotlights not only Smith's self-deprecating sense of humor, but also his fondness (and true gift) for spinning a good yarn. Part concert and part Q&A session, *Too Fat for 40* finds Smith recounting tales about smoking pot with Seth Rogen, working with Bruce Willis on the critically reviled film *Cop Out*, and more. This first-ever home video release contains the complete 210 minute performance, plus a huge amount of extras on a two-disc set, for the ultimate Kevin Smith experience! (STK454232) (C: 0-1-2)

KEVIN SMITH: SMODIMATIONS DVD

The "SModcast" is the long-running (since 2007) podcast of famed director and pop culture maven Kevin Smith and his long-time associate, Scott Mosier. Beginning in 2010, Smith began animating the best of these podcasts and publishing them online under the name SModimations. Now, Season 1 of *SModimations* has been edited together with new material to create a seamless animated featured film experience tailored for both Smith obsessives who must own everything Smith has done, as well as more casual fans who prefer to experience Smith and Mosier's skewed comedic brilliance in the more traditional format of DVD. THE BIG BANG THEORY: THE COMPLETE FOURTH SEASON

THE COMPLETE FOURTH SEASON
the BIG BANG THEORY

The *Big Bang* gang's romantic universe expands in Season Four. On the rebound from Penny, Leonard falls into the arms of Raj's sister Priya. Sheldon gets a girlfriend, or rather a friend who is a girl: Amy Farrah Fowler, a dour neurobiologist who declares herself "besties" with Penny. Howard and Bernadette heat up. And so do Raj and Bernadette (at least in Raj's Bollywood day dream). All in the furtherance of award-winning genius comedy. Special Features include: "Actor on Actor: The *Big Bang's* Theory of Relativity" Featurette, The Barenaked Ladies on *Big Bang Theory* Featurette, *The History of Everything* Music Video; Gag Reel. Offered in Blu-Ray and DVD formats. (STK453138) (C: 0-1-2)

ROBOTECH

FEATURED ITEM

ROBOTECH: THE COMPLETE SERIES DVD

A sweeping science-fiction anime epic, *Robotech* was set at the turn of the millennium, when a mysterious spacecraft crash-landed on a South Pacific island. The secrets of alien knowledge aboard this vessel were unlocked, leading to the development of "Robotechnology" and the creation of a vast arsenal of robotic "mecha" to defend the Earth against the alien threats that would eventually strike, attempting to lay claim to the mysterious power source known as "protoculture." Told through the eyes of characters caught in a successive series of three extraterrestrial invasions, the saga was the first anime series that many fans had seen, and is often credited with the explosion of anime fandom that continues to grow in the U.S. today. The complete, 17-disc set comprising all three *Robotech* series also features four exclusive bonus discs with more than 10 hours of bonus content — much of which is new to DVD! All three "Robotech War" chapters are available separately in complete series sets (minus bonus features discs exclusive to the complete series set). (STK454348) (C: 0 1 2)

SCI FI

DOWNSTREAM DVD

Wes Keller is a young man living in a world where oil has collapsed, the food supply has been wiped out, and cancer rates for women have skyrocketed, depleting the female population. In a barbaric environment where bio-fuel, batteries, bullets and people are currency, and marauders roam free, Wes tries to escape to "Plutopia", a mythical world run on cold fusion; a place that may only exist in the mind. *Downstream* is a view of the not-so-distant future, where we follow a young man who must ultimately pay the price for society's decadence. A MOVIE IN YOUR MIND
BATMAN
NO MAN'S LAND
Greg Rucka

Gotham City: A breeding ground for the depraved, the indifferent, and the criminally insane. It's also the object of one man's obsession; a life dedicated to protecting this city from its many predators. He is the masked vigilante known as the Batman. With Police Commissioner James Gordon, these two men have always fought to preserve law and order, side-by-side, struggling against a pervasive and relentless criminal element, working together to hold the line. Until now. Leveled by a massive earthquake, Gotham City has been cut off from outside aid, transformed into a lawless battleground — a No Man's Land — where the survivors are turning against one another, and where the city's protectors are torn by a crisis that may consume them all. Gotham now teeters at the edge of the abyss… and Batman is missing. The official GraphicAudio adaptation of the saga written by Greg Rucka. Approximate Run Time: 5 hours per volume. COURAGE IS STRONGER THAN STEEL
IN THEATRES AND IMAX

REAL STEEL BLU-RAY/DVD COMBO PACK

A gritty, white knuckle, action ride set in the year future 2020, where the sport of boxing has gone hi-tech, *Real Steel* stars Hugh Jackman as Charlie Kenton, a washed-up fighter who lost his chance at a title when 2000-pound, 8-foot-tall steel robots took over the ring. Now nothing but a small-time promoter, Charlie earns just enough money piecing together low end bots from scrap metal to get from one underground boxing venue to the next. When Charlie hits rock bottom, he reluctantly teams up with his estranged son Max to build and train a championship contender As the stakes in the brutal, no-holds barred arena are raised, Charlie and Max, against all odds, get one last shot at a comeback. Offered in a Blu Ray/DVD Combo Pack, as well as standard DVD format. (STK454379) (C: 0-1 4)

THE THING 2011 BLU-RAY/DVD COMBO PACK

Antarctica: Paleontologist Kate Lloyd (Mary Elizabeth Winstead) has traveled to the desolate region for the expedition of a lifetime. Joining a Norwegian scientific team that has stumbled across an extraterrestrial ship buried in the ice, she discovers an organism that seems to have died in the crash eons ago. But it is about to wake up. When a simple experiment frees the alien from its frozen prison, Kate must join the crew's pilot, Carter (Joel Edgerton), to keep it from killing them off one at a time. And in this vast, intense land, a parasite that can mimic anything it touches will pit human against human as it tries to survive and flourish. *The Thing* 2011 serves as a prelude to John Carpenter's classic 1982 film of the same name, and was directed by Matthijs van Heijningen. Offered in a Blu-Ray/DVD Combo Pack, as well as standard DVD format. (STK454381) (C: 0-1 4)

THE TALE OF THE TALES: CLASSIC HORROR ANTHOLOGIES

From the 1950s into the mid-'70s, horror anthologies were everywhere, telling small, encapsulated tales of shock, suspense, terror and monsters. Oh yes, in those days there were monsters. As the years progressed, and superheroes began to once again rule the spinner racks, the anthologies fell out of favor... and a whole generation grew up never to know the joy of reading about zombies, ghosts, psychos and giant monsters doing what they do best.

Thankfully, there's always going to be someone to remember the old days for us. Whether they are a talented writer, major or minor publisher, or even just a dedicated fan, these people preserve have preserved this material and have kept it available for us all to read and enjoy once more.

So, in these days leading up to the spookiest day of the year, Halloween, *PREVIEWS* celebrates the classic horror anthology with a look at what's available right now, to help you get your scare on and set the mood for your October 31st!

THE HORROR! THE HORROR!

Comic Books the Government Didn't Want You to Read!

Written and Edited by Jim Trombetta, with an introduction by *Goosebumps* author R.L. Stine, ***The Horror! The Horror!*** is one of the most in-depth and densely illustrated books to date detailing the rise and fall of the classic horror anthology in the 1950s and the Senate hearings on Juvenile Delinquency linked to these comics. *SC, $29.95* (AUG101286)

FOUR COLOR FEAR

Forgotten Horrors Comics of the 1950s

Edited by Greg Sadwoski for Fantagrapics Books, Four Color Fear presents 40 original horror stories from some of the more obscure horror titles of the '50s — *Mister Mystery*, *Haunted Thrills*, *Beware! Terror Tales*, *Weird Mysteries*, and more — each story reproduced from the original comic pages. A great starter primer! *SC, $29.99* (MAR100949)

THE WEIRD WORLD OF EERIE PUBLICATIONS

Comic Gore That Warped Millions of Young Minds!

Author Mike Howlett chronicles the bizarre history of Eerie Publications, whose B&W horror magazines haunted newsstands and magazine racks throughout the '70s, avoiding the Comics Code and presenting some of the most lurid and shockingly gory covers to ever grace a comic! *HC, $32.95*

THE ICONS!

THE ART OF STEVE DITKO

Mysterious Genius

Written and Designed by Craig Yoe, with an introduction by Stan Lee, this hardcover edition collects the pre-Marvel work of the man who co-created *Spider-Man* and *Doctor Strange*… weird tales of mystery and suspense for Charlton Comics in the 1950s, displaying a level of artistry that would in less than a decade lend itself to the launch of the Marvel Universe. *HC, $29.99* (SEP090893)

THE EC COMICS ARCHIVES

The Legendary Line!

The EC Comics line was one of the main targets of the Senate hearings on Juvenile Delinquency in the 1950s, thanks in part to the testimony of Dr. Fredric Wertham and the damning evidence presented in his inflammatory treatise on the subject, *Seduction of the Innocent*. Ultimately brought down by the Comics Code Authority's strict new guidelines (seemingly geared to prohibit any subject matter that was EC's bread and butter), the EC Comics line — especially it's horror-themed titles — have since gone on to legendary status… and for good reason!

THE CREEPY AND EERIE ARCHIVES

EC Reborn!!

Warren Publishing's *Creepy* magazine, and its companion title, *Eerie*, were born out of the legacy of the EC Comics line. Edited by Russ Jones and soon after Archie Goodwin, both series featured the works of such comics luminaries as like Neal Adams, Dan Adkins, Reed Crandall, Johnny Craig, Steve Ditko, Frank Frazetta, Gray Morrow, John Severin, Angelo Torres, Alex Toth, Al Williamson and Wally Wood — many EC Comics alumni themselves — who blazed new trails in graphic storytelling!
